Description			
Dear Sirs: My name is Leonardo Núñez and I work at the Social Observatory of the Chilean Department of Social Development. We are in charge of carrying out the National Socioeconomic Characterization Survey (CASEN) and we have been evaluating the transfer from PAPI format to CAPI. According to this I want to ask some introductory questions: <ul style="list-style-type: none">• Can you send the form BHPS survey?• In this survey (BHPS) what software do you use for data collection, Blaise software? or other market or own software? I look forward to hearing from you Thank you in advance <hr/> <p>Leonardo Núñez López División Observatorio Social Subsecretaría de Evaluación Social Ministerio de Desarrollo Social Gobierno de Chile</p>

Dear Leonardo,

I'm not sure what you mean by "the form BHPS survey". If you are looking for the questionnaires they are available here:
<https://www.understandingsociety.ac.uk/documentation/mainstage/questionnaires>
If you click the tab at the bottom of the list, "BHPS", you will see links to all 18 waves' questionnaires.

There is some information about software in the BHPS User Guide, here:
<https://www.understandingsociety.ac.uk/sites/default/files/downloads/documentation/mainstage/user-guides/bhps-user-manual-volume-a.pdf>
Section IV.16 covers the transition from PAPI to CAPI at Wave 9, and some references at the end of that section would also be useful to you.

Best wishes,
Stephanie
