sample size - households in NI in latest wave

03/13/2019 03:15 PM - gillian young

Status:	Resolved	Start date:	03/13/2019
Priority:	Urgent	% Done:	100%
Assignee:	gillian young		
Category:	Survey design		
Description I would like to know how many households are represented in the most recent wave (full year) for Northern Ireland. I apologise if Q is not appropriate but I was advised to come via this route in response to email sent last week.

- Private changed from Yes to No

Dear Gillian,

The number of responses for Northern Ireland are:

Households (hh questionnaire completed): 1382 (W8), 1434 (W7), 1510 (W6)

Individuals (16+ who completed individual questionnaire): 2550(W8), 2690 (W7),2719 (W6)

You can find out this information by following these links:

For number of households who completed household questionnaire in Wave 8

https://www.understandingsociety.ac.uk/documentation/mainstage/dataset-documentation/wave/8/datafile/h_hhresp/variable/h_gor_dv

Then same variable for previous waves, click on "previous occurrences" links.

For individuals:

https://www.understandingsociety.ac.uk/documentation/mainstage/dataset-documentation/wave/8/datafile/h_indresp/variable/h_gor_dv

Best wishes,
Stephanie
