<b>Description</b>			
Hi, is there an income on gross hourly pay? I could not find one on the mainstage user guide.			
Thanks

Dear Amandeep,

There is not one variable which tells you gross hourly pay, but you could calculate it yourself using w\_jbhrs - No. of hours normally worked per week and w\_paygu\_dv - usual gross pay per month: current job, along with the average number of weeks in a month.

Best wishes,  
Stephanie
