<b>Description</b>			
Hello. I'm wondering if you provide higher education data (areas of degree subjects such as humanities, science, etc) to be linked to UKHLS.			
I'm aware that national pupil data is available in the UK data service, but higher education data is not?			
Thank you.

Dear Sook Kim,

We have plans to link our data to the HESA (Higher Education Statistics Agency) database, which will include subject studied, but the data is not available yet and we cannot give an expected date at the moment. We will let you know when we have more information.

Best wishes,  
Stephanie
