Description			
Hello,			
I have a question on the variables the satisfaction variables sclfsat1 (health), sclfsat2 (income), sclfsat7(leisure) and sclfsato (life overall).			
The same ones existed in BHPS; however, BHPS had an additional one "satisfaction with housing". Could you please let me know if the "satisfaction with housing" one exists in UKHLS as well? And if so, where can I find it?			
Thank you so much in advance.			
Best regards,			
Ioulia

Hi Ioulia,

Yes you are correct, the variable satisfaction with housing was not included in UKHLS.

Best wishes,
Alita
