Description Dear Support, Would anyone be able to point me in the right direction of any keeping in touch exercises that you carry out to keep in contact with those in the Longitudinal Survey? I am carrying out research into keeping in touch and would be interested to know how understanding society keeps in contact with those in their longitudinal sample throughout the waves.

Hello,

Many thanks for your enquiry. The Understanding Society team is looking into it and we will get back to you as soon as we can.

Best wishes,
Alita
