Description			
I wanted to know if the items in the youth self-completion data a_yphsw "feel about your school work" to a_yphlf "feel about your life as a whole" came from a pre-existing measure or were developed specifically for the purpose of the survey? Thank you for your help.

Peter,
BHPS is the source.
We are planning to provide the source info for the youth paper self-completion items on our on-line documentation, but haven't done so yet.

Jakob
