Description The long-term content plan document appears to show that a module on attitudes towards immigration was planned for Wave 11 (self-completion questionnaire), however, I can't find it in the data sets, or in the questionnaires / list of variables. Please could you let me know if this module has been postponed to a future wave, or whether it has been dropped altogether? Or perhaps I'm missing something in the current wave?

Many thanks for your enquiry. The Understanding Society team is looking into it and we will get back to you as soon as we can.

We aim to respond to simple queries within 48 hours and more complex issues within 7 working days. While we will aim to keep to this response times due to the current coronavirus (COVID-19) related situation it may take us longer to respond.

Best wishes,
Understanding Society User Support Team
