<b>Description</b> Dear officer,  I found no region of government indicator in the *_*_youth files in BHPS. To solve this issue, I used the *_*_hidp identifier in the files of *_*_hhresp to merge with *_*_youth files to get the information on the region of the government of youth files. Am I right in this way? I also found that there was no sample in bk_youth, bl_youth and bm_youth for Northern Ireland. I am wondering if this was the case and the reason why.  Many thanks for your time.  Best regards, Karen

Hello,

Q: "I found no region of government indicator in the \*\_\*\_youth files in BHPS. To solve this issue, I used the \*\_\*\_hidp identifier in the files of \*\_\*\_hhresp to merge with \*\_\*\_youth files to get the information on the region of the government of youth files. Am I right in this way?"

A: Yes, that's correct

Q: I also found that there was no sample in bk\_youth, bl\_youth and bm\_youth for Northern Ireland. I am wondering if this was the case and the reason why.

A: Youth respondents from Northern Ireland were not administered the youth questionnaire. This information is provided in the BHPS User Manual "<https://www.understandingsociety.ac.uk/sites/default/files/downloads/documentation/mainstage/user-guides/bhps-user-manual-volume-a.pdf>" See page A3-65 "Young people in the Northern Ireland sample did not receive this questionnaire."

Hope this helps.

Best wishes,  
Alita
