Description

Hello, I would like to be able to link respondents in a given wave to Westminster electoral constituencies for the last election before the interview was done. I can do it using postcodes, but I was wondering if there is any easier way that does not require me to use Security Data Access? Thank you.

- Private changed from Yes to No

Hi Margherita,

Have you considered using Westminster Parliamentary Constituencies Special Licence datasets? These are available here:
https://beta.ukdataservice.ac.uk/datacatalogue/studies/study?id=6668&type=Data%20catalogue

Best wishes,

Piotr
