Hi,			
For some reason I cannot see the gor_dv variable in the mainstage variable search, maybe I am going crazy but I tried looking yesterday today and it doesn't come up.			
If you could help here that would be great,			
Thanks, Kamil

Hello Kamil,

You're correct, there's no result when searching for gor_dv in the main Study. This might be due to the recent release of our new website. I've attached an Excel file containing the information you get using the variable search feature.

I hope this information is helpful.

Best wishes,
