Description			
Good morning,			
Hope you are well!			
For the variables yphsc, yphsw and yphlf, data for Wave 1 is missing on the online 'Datafile'. Wave 1 is the only wave that data is missing for. Please may this data be provided?			
Many thanks, Imogen Cartwright

Hello Imogen,

The information you are looking for is not displayed on the website. We will add it as soon as possible.

In the meantime, I am attaching a text file with the variable frequencies, which are available in [*SN 6614*-Understanding Society: Waves 1-13, 2009-2022 and Harmonised BHPS: Waves 1-18, 1991-2009](#)

I hope this information is helpful.

Best wishes,

Roberto Cavazos
