Hello,			
I am struggling to find the variable name for Local Authority indicators in the Special Licence Access version SS 6666. I need this information in order to complete my application for access.			
Can someone please tell me what the naming convention for this variable is?

Hello Hannah,

You can find the variables associated with Study [SN6666](#) - Understanding Society: Waves 1-13, 2009-2022 and Harmonised BHPS: Waves 1-18, 1991-2009: Special Licence Access, Local Authority District by navigating to the Documentation Section. Specifically, you can review the dictionary at [UK Data Archive Data Dictionaries](#)

Within the zip file, you will find a file for each wave containing the associated variables. For quick reference, I have attached a screenshot.

I hope this information is helpful.

Best wishes,
Roberto Cavazos
