Description

Hi,

In the questions regarding voting behaviour. Is it possible to get the all the vote choices of the respondents? Concretely, is it possible to get all the possible parties that people named when answering those questions?

Hello Tarek,
The complete description of the "other party" option can be located in the Study SN 6931 - Understanding Society: Waves 1-13, 2009-2022 and Harmonised BHPS: Waves 1-18, 1991-2009: Special Licence Access
For further details on access levels, please refer to Access levels explained and Access Understanding Society data

I hope this information is helpful.

Best wishes,
Roberto Cavazos
