Description			
Hello,			
I am looking to access the data to use the derived income variables (w_fimnnet_dv). Could you let me know under what access it is under on the UK Data Service as those variables don't appear to be available in the dataset I am using (Understanding Society: Waves 1-8, 2009-2017 and Harmonised BHPS: Waves 1-18, 1991-2009. 11th Edition. UK Data Service. SN: 6614, http://doi.org/10.5255/UKDA-SN6614-12).			
Many thanks, Mhairi Webster
