Hello Vicki,

UKHLS is currently linking EPC data to Innovation Panel (IP17) participants, but this does not cover Scotland. We are exploring how to obtain and release EPC data for all households, either as part of the mainstage Wave 16 or as a separate release. However, no decisions have been made yet.

At the moment, therefore, we don't have the information you're looking for.

I hope this information is helpful.

Best wishes,
Roberto Cavazos
