Description			
Hi,			
I am doing some research on the 2024 General Election and wanted to look into using Understanding Society data, but can only find up to wave 14 (2023) publicly available. I just wanted to ask if wave 14 exists, when in 2024 it was conducted if it does exist, when it will be publicly available?			
Thanks in advance, Jake

Hello Jake,

Wave 15 covers the years 2023–2024 and is scheduled for public release at the end of November or early December.

I hope this information is helpful.

Best wishes,
