Description Dear Sir / Madam Following the discussion on income at this User Support, it is a couple of times mentioned that net income is not available (yet) for wave 1. The dataset indresp, however, contains a_fimnlabnet_dv (total monthly labour income - net) and a_fimnnet_dv (total personal income - net). What are these variables - do I read the labels incorrectly? Thank you regards, Peter			

History

#1 - 01/20/2014 09:20 AM - Redmine Admin

- % Done changed from 0 to 50

Net income variables were released initially, but have since been withdrawn. The latest revision of Wave 1 data is from Nov 2013.
