Category:	Data documentation		
Description Household questionnaire: "House in decent state of repair". "Enough money to keep your house in a decent state of repair"? Showcard TBC: "we have this"; "we would like but can't afford", etc. Could you please indicate what items are shown on this showcard so that we know what they are saying they can and can't afford in relation to the state of repair of the home. With thanks, Sarah			

History

#1 - 07/21/2014 02:08 PM - Redmine Admin

- Category changed from Questionnaire content to 31
- Status changed from New to In Progress

Have you looked in the [fieldwork document section](#) ?
