Description Dear Sir Madam, I was wondering if you could advice me on where I can get a STATA dofile to recode SOC2000 categories (as occupation is coded in UKHLS) into ISCO88 categories. Thank you very much. Best regards, Albert

Thank you very much. I was wondering if it would be possible for me to have access to the 4-digit version of the variables pasoc00 and masoc00.
Thnaks again.
Best regards,
Albert
