Description <p>On your data linkage page (https://www.understandingsociety.ac.uk/about/data-linkage) it states that consent for linkage was asked in Waves 1 and 5. I was looking at information from the UK data service (http://discover.ukdataservice.ac.uk/series/?sn=2000053) and it looks as though this data is not available yet.</p> <p>Could you let me know whether this linked data is available from another source? If not, could you let me know when this data is planned to be made available?</p> <p>Kind regards, Alex</p>
