Description

Dear Jakob,
Thank you for your reply in #37.
Has the variable a_jsprof_dv only changed name or is it no longer supplied with the data?
If it has changed name: Could you please tell me the new name?
If it is no longer supplied: Is it possible to get access to the variable supplied with the earlier release of wave 1 data?
Thanks,
Rigmor

We have provided two self-employment earnings imputed variables with the latest release:

a_seearngrs_dv: self employment earnings - gross

a_seearnnet_dv: self employment earnings - net

The online documentation has more information for these variables:
