Description			
Dear Sir or Madam,			
I am writing to you to request some information about the Understanding society study. My colleagues and I are developing a Global Data Landscape on Epilepsy for a pharmaceutical company. In our search we came across your publications. We would very much appreciate it if you could provide your insights on the type of records contained in the study. Please find attached a short questionnaire. You could easily answer to most of the question with yes/no.			
We would be very grateful if you would find time to answer to some of our questions. Thank you very much for your help!			
I am not able to attach a word file to this request, but please contact me via email (lburdukova@mapigroup.com) in case you are willing to reply.			
Kind regards,			
Elisabeth Burdukova
