Understanding Society User Support - Support #411

Ethnicity and Socio-economic information

09/08/2015 04:30 PM - Javiera Cartagena Farias

Status:	Closed		**Start date:**	09/08/2015
Priority:	Immediate		**% Done:**	100%
Assignee:	Redmine Admin			
Category:	Data linkage and consents			

Description

We are looking at the possibility of using Understanding Society to compare pupils outcomes (intervention v/s comparison groups). We would like to make sure we could request information related to: pupils attainment, Unique Pupil Number (UPN), ethnicity and socio-economic information providing we have a opt-out consent letter from every pupil.
Thank you very much in advance
