<b>Description</b> Dear UKHLS support team,  --- Could I please confirm if a specific question that first occurred in the British Household Panel Survey (BHPS) is being continued in the United Kingdom Household Longitudinal Study (UKHLS)/Understanding Society survey?  I have checked the general and long-term documentation for both surveys, and as far as I can tell, the question LVLONG (full details <a href="https://www.iser.essex.ac.uk/bhps/documentation/volb/wave11/kindresp8.html#KLVLONG">https://www.iser.essex.ac.uk/bhps/documentation/volb/wave11/kindresp8.html#KLVLONG</a> ) only occurred in BHPS wave 11 wave or K in 2001/2 and 16 or P in 2006/7, but is not being continued in the UKHLS study. Is that correct?  If this is correct, could you please let me know if there is any other question relating to self-rated life expectancy, and if so, provide details (e.g. variable name)?  Many thanks and best wishes, Kristina Charlotte Dietz

Dear Kristina,

I have checked with colleagues and we do not carry that question, or anything about life expectancy, in Understanding Society.

I hope this helps, please do ask if you have further questions.

Best wishes, Victoria.

On behalf of the Understanding Society User Support Team.
