Description			
Hi			
We are contracted through Public Health England to contribute to their Knowledge and Intelligence Directorate on the wellbeing of people with learning disabilities. While I am aware that NPD data linkage has been undertaken on stage of SEN (among many other things), are there any plans to link it to type of Primary and Secondary SEN need?			
Thanks			
Eric

Dear Eric,

Many thanks for your enquiry.

Primary/Secondary SEN type is a very sensitive data item for DfE and as such there is currently no plan to link to it.

Best wishes, Victoria
