- *% Done changed from 0 to 10*

We are in the process of documenting the methodology for deriving the income variables.

I will send you an email as soon as this work has been completed.

The imputation section of the [User Guide](#) lists the components for which data were collected.

#3 - 12/14/2012 07:35 AM - Redmine Admin

- *Status changed from New to Closed*

- *Target version set to M1*

Please look out for the new documentation which is due with the forthcoming release of UKHLS.
