

Understanding Society User Support - Support #648

how much of the time has your job made you feel tense?

10/25/2016 10:07 AM - Christoph Kronenberg

Description			
Hi,			
I have a question about variables d_depenh1-6, how did you come up with those questions? Other mental well-being/distress questions come from a known measure such as GHQ, SF12 MCS, WEMWBS, etc or ask specifically about whether the person was diagnosed with anxiety/depression. However, these questions appear to be more along the GHQ lines, but without the GHQ-style references to back it up as a valid and useful measure.			
Additionally, I found pretty much the same questions in WERS 2011: http://nesstar.ukdataservice.ac.uk/webview/index/en/UKDA/About-the-UK-Data-Service-Nesstar-Catalogue.d.55/Research-Datasets.d.56/Workplace-Employment-Relations-Survey.d.57/Workplace-Employee-Relations-Survey-2011.s.7226/Employee-Data.h.1F3/Section-A-About-Your-Job.h.2F3/How-much-of-the-time-has-your-job-made-you-feel-tense-/fVariable/7226_V1161			
I really like this questions, but I would be great to give the child a name and reference its parents.			
Cheers,			
Christoph (UoY)			

History

#1 - 11/03/2016 03:01 PM - Victoria Nolan

- Status changed from New to In Progress
- Assignee set to Alita Nandi
- % Done changed from 0 to 10
- Private changed from Yes to No

Many thanks for your enquiry - we are looking into it and will get back to you as soon as we can.

Best wishes,
The Understanding Society Data User Support Team
