Description Hello, I was wondering if you could help me with a query I have about your Wave 6 income data. We are wishing to run some cross tabs looking at gross monthly income (f_fimngrs_dv) but we are unsure how best to categorise this as we don't understand what the minus numbers represent? Could you also please outline how you have derived the variable? We are unable to find this information on your website. Thank you very much for your help Best Wishes Katrina			

History

- Status changed from New to Feedback
- Assignee changed from Victoria Nolan to Katrina Morrison
- % Done changed from 0 to 90
- Private changed from Yes to No

Dear Katrina,

Negative numbers are a result of a self-employment loss. More information is in the user guide, please see the income section from Page 82.
