<b>Description</b>			
Hi there,			
I am trying to download the data from the Nurse Health Assessment for Wave's 1, 4 and 5. I can only find the Nurse Assessment for Wave's 2 and 3 on the UK Data Service. I am undertaking a dissertation on the impacts of obesity upon work productivity and need the nurse H.A. for accurate measures of BMI.			
I was wondering whether you guys have access to this and could loan me access to the micro-level data?			
Many thanks,			
Dan
