Description Hi, I am interested in the retirement planning module. According to the content plan it should be included in wave 2 data. Will this become available when the second half of wave 2 data is published? And when is that? Thanks, Rigmor

Rigmor,

Data from the first year of Wave 2 interviews incl. retirement planning module (see e.g. b_retsuf) is available from ESDS - The full wave is expected to be released by the end of the year.
