Dear Victoria,

This variable is only available in the Special License version of the Waves 1-6 Understanding Society data. The Study Number is 6931. The exact link to the UKDS webpage where you can download this is:

<https://discover.ukdataservice.ac.uk/catalogue/?sn=6931&type=Data%20catalogue>

You would need to follow the same procedure for downloading the data as the EUL version - you will be asked to fill in a Special License form. If you have any questions regarding that process you would need to contact the UKDS directly.

We hope this helps, best wishes,

Victoria.
