<b>Description</b>			
Hi, I would like to know if the NPD data linked to Understanding Society includes measures of teacher reports of ability, level pupil working towards, and progress. The data linkage page doesn't explicitly state that these variables are available, but I imagine that they may fall under the category of 'attainment' that is listed on the website. Any help that you can provide would be gratefully received. tim

Dear Tim,

Please download the NPD User Guide from this page (at the bottom of the list on the left side):
